7:07	Principal's Report It has been a good start to the school year despite all the changes. Many new teachers and a successful start for them. There has been attention to helping new teachers acclimate. Northview Nurse Sue Hannisch has been a great leader with COVID-19 guidelines and response from the school. Ryan Hanning in IT has developed the use of the parent pick-up application.	Kerri Town
7:15	PTO Budget Review and Approval Not holding the fall Apex Fun Run The 2020 Spring Carnival did not occur. Due to the amount of time required to plan and prepare for Spring Carnival, a decision about whether or not to hold the Carnival will need to be made by January or so. General Mills has changed the process for BoxTops and now requires scanning receipts versus submitting physical box tops.	Vicki Drasher

	Virtual Tour? Possibly. Kindergarten parents were given the opportunity to see the classroom but not the remainder of the school. (Kerri Town) As a kindergartner parent, my 3-year old was not allowed back so I wonder if other parents have had similar experiences not knowing. (Stephanie)	
	Seesaw class assignments are not posted until 9am or 9:30am. Could the assignments be posted earlier? For consistency between distance learning and hybrid learning, the district has asked that the content stays consistent with the school start times. (Kerri Town) Could there be a syllabus or list of what the learning is going to look like for the coursework projected out further? Some schools provide assignments for longer periods (week or more) at a time to be worked on. (Katie Roberts)
