November 3, 2014 - Dunn Brothers Eagan

- In Attendance** **Northview Staff Members:** Kerri Town (Principal)
NVPTO Board Members: Heather Lorentz (President), Heather Bronwell (Treasurer)
and Colleen Frank(Co-Secretary)
- Call to Order** 7:30 pm the meeting was called to order by President Heather Lorentz
- Fundraising** Final results for the Chip Shoppe fundraiser will be in by November 9, 2014. The possibility of a new fundraiser for next year in place of Chip Shoppe was brought up. The board talked about sending out a survey to see what types of fundraisers families would like to participate in. Northview apparel will be arriving before Thanksgiving.
- Barnes and Noble** Northview will host a fundraiser at the Eagan Barnes and Noble on Sat. December 6th. There will be guest readers from Northview reading to students. On line ordering is an option as well. Communication about this event will be sent out on November 21st.
- Taxes** PTO taxes will be filed by November 15th by the PTO treasurer.
- Thank you Vouchers** PTO has traditionally given \$50 vouchers to all teachers. This voucher is to be used for classroom supplies. An updated teacher list will be given to PTO. PTO will ask for a quicker turnaround on receipts from teachers than in the past.
- Childcare** PTO has provided free childcare for meetings this year. The board decided that there were not enough parents using this service to justify PTO paying for a babysitter. PTO will look into groups looking for volunteer hours to assist with childcare. If PTO cannot locate any service willing to do this, then childcare will no longer be available.
- Principal Update** Kerri Town shared that she will begin a monthly principal newsletter. The newsletter will come home the first Friday of every month electronically and in the Friday folders.
- Upcoming PTO Meetings** General meetings for the remainder of the school year will be at 6:30pm on 1/12, 3/9, 4/6 and 5/11
- Adjournment** The meeting adjourned at 9:00 pm.
